Thursday, September 15, 2016

Dear OPE sixth grade families:

OPE sixth graders are off to a great start this year! They will present their annual music program on **Tuesday evening, November 10, 2016 at 6:30 PM** in the Scappoose High School Auditorium. It is my hope that all of our sixth grade families will be able to join us for this evening of music! As this date approaches, I want to communicate some of the specific details of the music program to you.

The music program will serve as a culminating experience of our work together so far, and showcase the hard work put forth by your child in music. The program will feature a variety of songs and games studied in music so far this year. Each piece has been carefully selected to advance your child’s musical development in key skill areas. I have attached a packet that contains the words to all the songs we will sing for our program to facilitate study of the repertoire outside of class. Additional practice resources are posted to our music website. Please review these song texts with your child. Should you have any questions or concerns, please feel free to contact me.

Please mark your calendars for this important event. Attendance at the evening performance will carry extra credit points toward the participation portion of your child’s music grade this trimester. I will keep you informed of the most current information as the date of the performance approaches. I will also post all of the program information to my website at [www.wilkinsmusic.net](http://www.wilkinsmusic.net). Thank you for your continued support of music in our school!

Sincerely,

Bryan Wilkins, BM, MEd  
Music Teacher
